

Social Media Training

Social networking sites like Twitter have become a phenomenon in recent times. If you want a better insight into how these fundamental online business tools can help you promote your business and manage your reputation, then why not come on a social media training course held by award-winning Jungle PR (junglepr.com)?

Jungle is a specialist in the field of social networking and can teach you how to start and maintain online conversations with your target audience, find out what's being said about you by bloggers and customers, and use these tools to promote events and news and spread the word about your business wider than ever before. Find out why you need to be part of social networking to help you gain a valuable business advantage!

The workshop is given by Kate Morfoot, Director of Jungle PR Ltd an approved member of the Chartered Institute of Public Relations.
